

CONTENTS

Keynote/Guest speeches	Page
<i>Abstract of the Keynote Speech:</i>	xviii
The Role of Science and Technology in the implementation of the Sustainable Development Goals (SDGs) and Multilateral Environmental Agreements (MEAs): Opportunities and Perspectives for Developing Countries Rolph Antoine Payet	
<i>Abstract of the Guest Speech:</i>	xix
Need of knowledge transferring at school level towards sustainability in the face of invading artificial intelligence, machine learning and automation technologies K.P.S. Chandana Jayarathna	
Abstracts of oral presentations: Session A	Page
Identification of high yielding genotypes of rubber (<i>Hevea brasiliensis</i>) at the early stage of their breeding cycle using rubber elongation factor (<i>Ref</i>) gene and promoter Gamage N.S., Abeysinghe P.D. and Withanage S.P.	1
Isolation and identification of phyto-beneficial properties of rhizobacteria isolated from banana rhizosphere Ileperuma J.C., Abeysinghe S. and Sripal D.D.N.	2
Production of transgenic <i>Petunia</i> (Solanaceae) with enhanced hypersensitive response to <i>Pseudomonas syringae</i> Wimalasekera R. and Scherer G.F.E.	3
Identification of interspecific hybrid progenies in sugarcane crop improvement Koshila H.V.A.S., Wijesuriya A., Hemamali K.K.G.U. and Perera A.M.M.S.	4

Molecular identification of the causal agent of horse hair blight, *Marasmius crinis-equi* in tea (*Camellia sinensis*) 5
Dissanayake D.M.M.S., Liyanage P.N.H., Kumari W.G.S.M, Karunajeewa D.G.N.P., Alwis R.A.N.M. and Leelaratne C.

Mottle disease in passion fruit: causal agent and selection of resistant plant lines 6
Somaweera B.A.S.C., Abeysinghe S., Kumari W.G.S.M. and Basnayake V.

Abstracts of oral presentations: Session B Page

Synthesis of hexabenzocoronene based (NNC) Pt(II) acetylides 7
Perera S.D.

Assessment of water quality in Kattakaduwa reservoir in Southern Sri Lanka 8
Weerathna W.A.P.A.U., Gunasekara R.D.A. and Asanthi H.B.

Investigation on sawn timber export by Sri Lanka during the Period 2007 to 2017 9
Siriwardana V.R.A.

Assessment of drinking water quality in Monaragala district of Sri Lanka 10
Udeshani W.A.C. and Gunatilake S.K

Removal efficiency of hexavalent chromium by three bacterial species isolated from chromium containing industrial effluent 11
Ekanayake E.M.C.K and Rathnayake I.V.N.

In vitro study to access the free radical scavenging ability of added natural iron chelators in diet 12
Liyanapathirana N.N., Ranaweera, K.K.D.S. and Gunathilake K.D.P.P.

Antiurolithic properties of the leaf extracts of *Kalanchoe pinnata* (Akkapana) 13
Weerasinghe S.M and Ranaweera S.

Role of some selected organic acids on kidney stone formation and dissolution	14
Costa A.M.K.C.J. and Ranaweera A. S.	
Isolation and physicochemical characterization of sour orange pectin	15
Nayanaransi L.A.U., Edussuriya M. and Dissanayake A.S.	
Use of chemically modified <i>Macaranga indica</i> leaf powder for the removal of methylene blue from aqueous solutions	16
Kulasekara B.M.M.H., Yapa Y.M.A.L.W. and Fernando K.R.	
UV absorbing properties of extracts obtained from <i>Canna</i> flowers grown in Sri Lanka.	17
Jayawardena Y.Y.S. and Jayasekara H.D.	

Abstracts of oral presentations: Session C	Page
Incidence of post dural puncture headaches among mothers following caesarean section under spinal anesthesia at the General Hospital Kegalle, Sri Lanka	18
Samarathunga P.T.D., Mutugama M.T.C., Hapugahawatte H.W.S.T., Pathmathilaka R. and Jayasundera S.	
Detection of antimicrobial resistant genes of bacteria isolated from Bovine Mastitic milk by PCR	19
Jayasekara P.P., Chandana G.A.D., Wimalagunaratne R., Athapaththu I.S.B. and Gunawardana G. A.	
Composition and distribution of Avifaunal diversity in the premises of the University of Kelaniya, Sri Lanka	20
Bellanthudawa B.K.A., Weerasinghe H.W.G.A.S., Dissanayake D.M.S.N., Nawalage N.M.S.K., Panagoda P.A.B.G., Silva H.K.A.D., Tharaka L.K.D.N. and Suvendran S.	

Nest construction scenario of Sri Lanka yellow-eared bulbul (<i>Pycnonotus penicillatus</i>) in tropical Montane cloud forests of Horton Plains	21
Chandrasiri P.H.S.P., Lakmal S.B.R. and Mahaulpatha W.A.D.	
Comparative study on extraction methods of Astaxanthin from Shrimp Waste	22
Kuragodage A.U., Senarachchi W.A.R.K. and De Silva M.P.K.S.K.	
Intertidal macrofaunal and macroalgal diversity in the Southern coastal belt of Sri Lanka	23
Wijethunga H.N.S., Dias P.C.B., Abeygunawardana A.P., Senevirathna J.D.M., Thushari G.G.N. and Liyanage N.P.P.	
Molecular evidence for revalidation of synonyms <i>Systemus spilurus</i> and <i>Systemus timbiri</i> (Cyprinidae) as two separate species in Sri Lanka	24
Wijesurendra L.M. and Gunawickrama K.B.S.	
Evaluation of total phenolic, flavonoid contents and <i>in vitro</i> antioxidant activity of different solvent extracts obtained from <i>Canna</i> (red) flowers grown in Sri Lanka	25
Opatha S.A.T. and Hettihewa S. K.	
Macronutrient intake of national level athletes engaged in leanness and non-leanness sports	26
Dissanayaka D. M. C. H. B. and Werasinghe S.	
Formulation of mosquito repellent herbal cream using flower extract of <i>Tagetes erecta</i> (marigold) and evaluation of its <i>in vitro</i> mosquito repellent activity against <i>Aedes aegypti</i> , <i>Anopheles stephensi</i> and <i>Culex quinquefasciatus</i>	27
Jayarathna W.U., Hettihewa S.K., Karunanayaka K.D.S.V. and Samarasingha S.	

Antibacterial activity of novel gel formulations prepared with seed extracts of <i>Coriandrum sativum</i> L. and <i>Nigella sativa</i> L. against <i>Staphylococcus aureus</i> Nawarathne N.W., Wijesekera K.D., Napagoda M.T. and Wijayaratne G.B.	28
Antibacterial efficacy of novel alcohol-based hand scrubs with clove oil, cinnamon oil and aloe vera leaf extract against <i>Acinetobacter baumannii</i> and <i>Proteus mirabilis</i> Karunanayaka K.D.S.V., Hettihewa S.K., Silva D.D. and Karunanayaka L.	29
Co-occurrence of predatory <i>Lutzia (Metalutzia) fuscana</i> larvae with <i>Aedes albopictus</i> (Diptera: Culicidae) larvae in Thitthagalla, Galle District, Sri Lanka Dissanayake D.M.D.S. and Wegirya H.C.E.	30
The first record of three imperative jellyfish species from the coastal waters of Sri Lanka Karunarathne K.D. and De Croos M.D.S.T.	31
Salivary composition of selected age groups of captive Asian elephants at Pinnawala Elephant Orphanage, Sri Lanka Wijesingha H.M.N.P., Sudarshani K.A.M. and Wegirya H.C.E.	32
Abstracts of oral presentations: Session D	
A time series modeling approach for forecasting gold price demands in Sri Lanka Kumara H.N., Bandara S.M.G.S., Sudarshani E.G.D. and Rathnayaka R.M.K.T.	33
An efficient numerical scheme for time fractional reaction diffusion equations Somathilake L.W.	34
A computationally efficient electrocardiogram analysis system Ajward A.M.	35

Detecting and correcting grammatical mistakes due to subject-verb
inconformity and conflicts in tense aspects in Tamil sentences 36
Sakuntharaj R. and Mahesan S.

A controlling and monitoring tool for fertilizer usage for paddy 37
cultivation: “PADDYPAL”
**Rajapaksha L.T.W., Azir M.Y.M., Mendis A.P.D., Gopinath S.,
Dantanarayana T.G.G., Walisadeera A.I. and Piyaratne M.K.D.K.**

A Priliminary study on hearing problems of workers due to 38
exposure of high occupational noise for a long period
**Sethunga S.M.N., Abeysuriya U., Bodhika J.A.P., Dharmaratna W.G.D.
and Wickramasinghe S.A.**

Abstracts of poster presentations: Session A Page

Comparison of anatomical characters of flower colour morphs 39
of *Calotropis gigantea* (L.) found in Sri Lanka
Sakunthala W.G.P. and Abeysinghe P.D.

Potential new oyster mushroom strain for Sri Lanka 40
Karunathulaka H.K.A. and Siriwardhana G.L.

Isolation and identification of acetic acid bacteria from toddy to 41
produce vinegar without using a fermenter
Ranasinghe W.M.S.H. and Gunawardane M.M.

Recovery potential and nutrient uptake behavior of Chilli plants 42
(*Capsicum annum* L.) exposed to soil moisture stress: indication
for water and fertilizer management
**Gunawardana M.H.M.A.S.V., Abeysekara R.I., Dissanayaka N.P.,
Kodikara K.A.S. and Jayatissa L.P.**

Effect of neem-priming on seed germination and seedling vigour 43
of four traditional rice varieties of Sri Lanka
Galappaththi M.O., Jayasuriya K.M.G.G. and Gama-Arachchige N.S.

Characterization of <i>Pectobacterium carotovorum</i> isolated from diseased carrots and study on their pathogenicity on selected vegetable crops	44
Wanigasekara D.N. and Halmillawewa A.P.	
Study on nutritional and antioxidant properties of selected Sri Lankan traditional sweetmeats	45
Mihiranie M.K.S., Jayasinghe J.M.J.K., Jayasinghe C.V.L. and Wanasundara J.P.D.	
Influence of iron toxicity on root characteristics of selected <i>Oryza sativa</i> L. varieties under field conditions	46
Siriwardana K.G.D.I., Weerasinghe W.D.P., Chandrasekara K.K.D., Priyantha G.D.A, Rupasinghe M.G.N., Wickramasinghe W.R.K.D.W.K.V., Dissanayake I. and Wijesinghe M.R.	
<i>In-vitro</i> screening of ethyl methanesulphonate (EMS) treated shoot tips of banana for fusarium wilt using fungal co-cultivation technique	47
Shirani D.A., Niroshani K.A.C., Abeysinghe P.D. and Abeysinghe S.	
Nutritional quality of <i>Oryza sativa</i> L var. Bg 360, At 362 and <i>Eleusine coracana</i> var. Ravana	48
Madushan G. and Amarakoon R.	
Farmers' knowledge on pesticides usage in vegetable cultivation in Badulla district, Sri Lanka	49
Jayasinghe M.A.S.P, Thirumarpan K. and Hariharan G.	
Effectiveness of rooting media on the propagation of miniature rose (<i>Rosa chinensis minima</i>) by stem cuttings	50
Gunasekera T.M.D., Dayananda T.G. and Somachandra K.P.	

Abstracts of poster presentations: Session B	Page
Assessment of selected quality parameters of top soil and surface water in the vicinity of the laboratory wastewater pits of the Department of Chemistry, University of Ruhuna, Matara Idirisooriya I.M.S.H.R., Gangabadage C.S. and Hewage J.S.	51
Some starch characteristics of selected <i>Ipomea batata</i> (sweet potatoes) cultivars in Sri Lanka Waidyarathna G.R.N.N. and Ekanayake S.	52
Assessment of groundwater quality in the municipal area of Jaffna Peninsula Rajapaksha H.G.N., Prabagar S., Navaranjan S. and Prabagar J.	53

Abstracts of poster presentations: Session C	Page
Survey on distribution of Milkweed, <i>Calotropis gigantea</i> L. (Apocynaceae) in Sri Lanka and the associated insect diversity Wijeweera W.P.S.N., Dhileepan K., De Silva M.P.K.S.K. and Senaratne K.A.D.W.	54
Knowledge on post exposure treatment for Rabies among General Practitioners in the Southern Province, Sri Lanka Gunsekara H.M.D.P.P., Vanlangenberg A.P., Kumarapperuma K.K., Mahanama J.K. and Damayanthi T.	55
Antioxidant properties of <i>Sargassum</i> sp. found in southern coastal region in Sri Lanka and their use in extending shelf-life of foods Makawita G.I.P.S., Wickramasinghe I. and Wijesekara I.	56
Antimicrobial efficacy of selected commercially available mouthwashes Rathnayake R.M.S.U. and Jayaratne D.L.	57

Establishment of technique for isolation of phagocytes from peripheral blood of elephants (<i>Elephas maximus</i>) Udayanga K.G.S., Dangolla A. and Silva I.	58
Development of a suitable method for the concentration of <i>Citrus madurensis</i> juice and <i>Spondias dulcis</i> juice Jayarathna P.L.I., Vanniarachchi M.P.G. and Jayawardena J.A.E.C.	59
The status of maintaining partograms in labor rooms: A case study from District General Hospital – Kalutara Wijayasinghe I.P., Jayasekara K.K.N.P., Kodithuwakku T., Amaraweera D.P. and Rasanga M.K.N.	60
Primiparous mothers' perception regarding breastfeeding education at Teaching Hospital, Mahamodara, Sri Lanka Geeganage, C., Deepa, G.G., Priyanka, K.G.C., Liyanage, C. T. K. and Munidasa, K.G.P.K.	61
Garlic and ginger extracts as feeding deterrent for the giant African snail (<i>Achatina achatina</i>): a preliminary study Wijesingha H.M.N.P., Sudarshani K.A.M. and Wegiriya, H.C.E.	62
Abstracts of poster presentations: Session D	
A mathematical model for natural resistance against galactosemia Jayasundara N.D.K. and Shanthidevi K.C.N.	63
Stock market prediction using machine learning algorithms Perera W.G.M.V.C. and Peter P.L.S.	64
Analysis of CI engine performance with waste polypropylene derived fuel blended with diesel Rohan E.P., Sumith B. and Srimal L.K.T.	65

Sound absorption characteristics of two selected fruit plants, <i>Anacardium occidentale</i> (Cashew) and <i>Mangifera indica</i> (Mango), measure by reverberation room method Nilmini K.A.C., Amarasingha N.D., Guruge R.S.P., Sandaruwan U.A.T., Sooriyaarachchi S.A.S.N., Bodhika J.A.P., Dharmaratna W.G.D. and Jayatissa L.P.	66
List of reviewers - RISTCON 2018	67

Details of the Sessions

Session A: Agriculture, Botany and Molecular Biology & Biotechnology

Session B: Chemistry, Biochemistry, Biophysics, Ecology, Environmental Science and Oceanography

Session C: Zoology, Fisheries & Aquaculture, Medical & Health Sciences and Veterinary Science

Session D: Engineering, Physics, Mathematics & Statistics, Computer Science & ICT and Nano Technology
