

Tropical Agricultural Research and Extension

Volume 5, No.1 & 2

CONTENTS**Research Articles**

- Genetic analysis of some quantitative characters in aromatic rice involving induced mutants** 01-06
K.M.Hasib, P.K. Ganguli and P.C. Kole
- Development of variety screening method for anthracnose disease of chilli (*Capsicum annum* L.) under field conditions** 07-11
R. G. A. S. Rajapakse and J. A. D. A. R. Ranasinghe
- Fruit-setting behaviour in relation to floral morphology of eggplant (*solanum melongena* L.)** 12-16
G. L. Pradeepa
- Bioactivity of leaf volatiles of *Azadirachta indica* A. Juss. and *Murraya koenigii* Spreng. against *Sitophilus oryzae* L. (Coleoptera: Curculionidae)** 17-21
P. A. Paranagama, K. H. T. Abeysekera, L. Nugaliyadde, K. Abeywickrama
- Toxicity and repellent activity of *Cymbopogon citratus* (D.C.) Stapf. and *Murraya koenigii* Sprang. against *Callosobruchus maculatus* (F.) (Coleoptera; Bruchidae)** 22-28
P A Paranagama, A A C K Adhikari, K P Abeywickrama and K A N Premarathne Bandara
- Response of cotton varieties to cotton leaf curl virus (CLCuV)** 29-34
Khalid P. Akhtar, A. I Khan, M. Hussain, M.A. Haq and M. S. I. Khan
- Productivity of *Sesbania* alley cropping system with sequentially cropped berseem and maize at different moisture regimes and fertilizers** 35-42
N.P. Shukla, A. Rekib and D. Burman
- Evaluation of cassava varieties and effects of growth regulators on vegetative traits and yield** 43-47
S. U. Remison, D.O. Ewanlen and V.B. Okaka
- Fodders and feeding practices of cattle and sheep in Kashmir (India)** 48-52
S.K. Tomar and R.L. Sharma
- Post-harvest quality of 'Mauritius' pineapple and reasons for reduced quality.** 53-56
W.A.J.P. Wijesinghe and K.H. Sarananda
- Effect of different pre-drying operations on some nutritionally valuable minerals, ascorbic acid and rehydration index of *Capsicum* species** 57-61
A.F. Eleyinmi, N.O.A. Ilelaboye, F.B. Aiyeleye, S.S. Akoja

Replacement of cod liver oil with soybean or coconut oil in diets of larval goldfish, <i>Carassius auratus</i> L.	62-67
K. Parameshwaran, U. Edirisinghe, C. M. B. Dematawewa	
Species abundance distributions of bird communities in four agroecosystems	68-71
F. P.U. Udayangani and A. De.S.N. Jeevanthi	
<i>Short Communications</i>	
<i>In vitro</i> development of encapsulated somatic embryos of rice	72-74
P. Suprasanna, G. Bharati, T.R. Ganapathi and V. A. Bapat	
<i>In vitro</i> Propagation of <i>Vanda pteris</i> through Axillary Bud derived Protocorm Culture.	75-78
F. Begum, D. Islam, R.N. Paul, M. Mehedi, S.R. Mondal	
<i>Instructions for contributors</i>	79-82
