PREFACE	I
TABLE OF CONTENTS	III
THE ORGANIZING COMMITTEE AND SUB COMMITTEES	IV
MESSAGE FROM THE HON MINISTER OF HIGHER EDUCATION, Prof Wiswa Warnapala	VI
MESSAGE FROM THE CHAIRMAN, UNIVERSITY GRANT COMMISSION, Prof. G. Samaranayake	VII
MESSAGE FROM THE VICE CHANCELLOR, UNIVERSITY OF RUHUNA, Prof. Susirith Mendis	VIII
MESSAGE FROM THE DEAN, FACULTY OF AGRICULTURE, Prof Thakshala Seresinhe	IX
MESSAGE FROM THE COORDINATOR OF THE SYMPOSIUM COMMITTEE, Prof K D N Weerasinghe	XI
Abstract Index	XII
Keynote Speech	1
Technical Sessions A – Novelties in Plant Sciences and Agronomy	5
Technical Sessions B – Frontiers in Food, Animal and Nutritional Sciences	42
Technical Sessions C – Future trends in Agricultural Economics, Management and Behavioural Sciences	64
Technical Sessions D – Concerns in Ecosystem Management and Sustainability	88
Students' Research Sessions 2008	107
Main Sponsors	136

Abstract Index

Keynote speech - Farming according to 'The Laws of Beauty': Aesthetics and Agriculture <i>David E. Cooper</i>	1
Keynote speech - Thinking about food: food policy and human psychology <i>Professor Joy A. Palmer-Cooper</i>	2
Keynote speech - Long-term monitoring of catchment systems: implications for management and policy <i>T.P. Burt</i>	3
Keynote Speech - The Challenges to Food Security in the Context of Natural Hazards and Disasters <i>James S. Gardner</i>	4
Technical Session A – Novelties in Plant Sciences and Agronomy	5
Identification and measurement of quality of forages grown in saline lands in southern province of Sri Lanka <i>S. Premaratne, G.G.C. Premalal, C. Bandara and R.T. Seresinhe</i>	6
Effect of organic manures on dry matter yield of tomato and the effect of <i>Trichoderma</i> spp. on nutritional status of organic matter enriched soils <i>S.M.S. Renusha, M.A. Lathiff and D.M. Jinadasa</i>	7
Effect of basal application of inorganic fertilizer and compost on the growth and the yield of onion (<i>Allium cepa</i> L.) <i>T. H. Seran, S. Srikrishnah and M. M. Z. Ahamed</i>	8
Studies on the influence of moisture stress on certain agronomic parameters of tomato (<i>Lycopersicon esculentum</i> Mill.) <i>S. Muraleeswaran, N. Vijitha and S. Mahendran</i>	9
Cultivation of oyster (<i>Pleurotus ostreatus</i>) mushroom on sawdust with different types of spawn <i>L. Pathmashini, V. Arulnandhy and R.S.W. Wijeratnam</i>	10

Assessment of somaclonal variation and morphogenic potential in different explants for *in-vitro* propagation of Chrysanthemum (*Chrysanthemum morifolium* L)

R.M.N.T. Amarasinghe, P.K.S. Jayathilake and D.L.C. Kumari 11

Development of a suitable method to minimize chilli (*Capsicum annum*) seed pungency

T.W. Jayasekara, P.H. P.Prasanna and G. Jayasundara 13

Genotype x environment interaction and yield stability analysis of tea cultivars

M.A.B. Ranatunga and M.T.K. Gunasekera 14

Study of the genetic variability of quantitative characters of Pole Beans (*Phaseolus vulgaris*)

R. A. P. Ranawaka, S. G. J. N. Senanayake and H. M. Ariyaratna 15

Development a suitable protocol for micropropagation of *Gerbera jamesonii* variety Ruby Red.

T.R. Dissanayake, I. Herath and D.L.C. Kumari 16

Varietal variation in canopy development and radiation interception of sugarcane under two contrasting water regimes

A.L.C. De Silva 17

Effects of establishment method and population density on growth and yield of paddy (*Oryza sativa* L.) var Bg 250

A.R.M. Irshadh, A.L.M. Niwas, S. Arulmageswaran and I.M.N. Chandrasri 18

Sulphur fumigation for cinnamon quills (*Cinnamomum zeylanicum* Blume): present status and future improvements

S. N. Weerasuriya, R. S. Munasinghe and K. G. G. Wijesinghe 19

Seed germination of *Cassia angustifolia* (Senna) under *in vitro* and *in vivo* conditions

P.S. Warakagoda and S. Subasinghe 21

Parasitoids associated with whitefly species, *Aleurodicus dispersus* in selected fruit crops in the Batticaloa district

A. Aysha, S. Senthilkumaran and R F. Niranjana 23

- Productivity of rice-based cropping system in Jaffna district of Sri Lanka leads to sustainability
L. Pradheeban, T. Berg and S. Rajadurai 24
- Control of cabbage caterpillars (*Plutella xylostella* L.), Doubleday (*Chrisodeixis eriosoma*) and Fabricius (*Spodoptera litura*) with aqueous plant extracts in organic farming
K.P. Somachandra, N.S. Senanayake and S.M. Wijesundera 25
- Effect of plant density on production, quality and profitability of cut Gerbera (*Gerbera jamesonii* Adlam)
U.M.I.R.K. Weerasinghe and S. Parthipan 26
- Effect of different seed treatments on germination of Kiribadu (*Ipomoea mauritiana*) seeds
N.D.N. Priyadarshani and K.M.C. Fernando 27
- Yield performance of selected cinnamon cultivars (*Cinnamomum verum* Presl.) in different regions of Sri Lanka
K.G.G. Wijesinghe, H.R.S.N. Kumari and W.D.L. Gunaratna 28
- Study on floral behavior of selected ten cultivars of true cinnamon *Cinnamomum verum* (Presl.), Syn. *C.zeylanicum* (Blume)
H.R.S.N. Kumari, K.G.G. Wijesinghe and R.A.A.K. Ranawaka 29
- Morphological comparison of tea (*Camellia sinensis* L) germplasm originating from old seedling tea populations in different agro-ecological regions in Sri Lanka
J.H.N. Piyasundara and M.T.K. Gunasekare 30
- Development of a pheromone based management method for cinnamon wood boring moth (*Ichneumoniptera cinnamomumi*) (Lepidoptera: Sesiidae)
H.L.C. Darshanee, M. Dharmadase, L. Nugaliyadda and K.G.G. Wijesinghe 31
- Production practices and profitability of cauliflower (*Brassica oleraceae* var *Botrytis*) in Kalpitiya, Sri Lanka
H.M.G. Shashiprabha, S. Arulmageswaran, and I.M.N. Chandrasri 32
- Post harvest losses of potato (*Solanum tuberosum* L.) in Welimada area of Badulla district in Sri Lanka.
J.T.M.S. Parami, I.M.N. Chandrasri and S. Arulmageswaran 33

Assessment of flowering synchrony in tea [<i>Camellia sinensis</i> (L.) o. Kuntze] germplasm accessions in Sri Lanka: implications to tea breeding programme <i>J.B.D.A.P. Kumara, H.A.C.K. Ariyaratna, M. Ratnayake, J.D. Kottawa Arachchi and M.T.K. Gunasekare</i>	34
An assessment of weedy-rice seed density in paddy soils in the southern Sri Lanka <i>M.K.R. Silva, A.S.K. Abeysekera, L. Nugaliyadde and D.G.E. Udayanga</i>	35
Screening of aromatic and non aromatic rice varieties for resistance to blast and bacterial leaf blight diseases <i>K.L.Wasantha Kumara, L.G. Kusumalatha and R. Pathirana</i>	36
Survey on pests and diseases of rice and their management in Matara district <i>K.L.Wasantha Kumara and L.G. Kusumalatha.</i>	37
Propagation of Rathamilla (<i>Lumnitzera littorea</i>) a rare mangrove plant <i>I.R. Palihakkara and N.P. Madawanarachchi</i>	38
Effect of intercropping to increase the productivity of banana and pineapple in Mahaweli special area of Udawalawe <i>I.R. Palihakkara and M.D. Piyathilaka</i>	39
Floristic richness and its spatial distribution in Salgala forest reserve <i>C.M.K.N.K. Chandrasekara</i>	40
Effect of different cutting shapes on keeping quality of <i>Ipomoea mauritiana</i> (Kiribadu) yams <i>N.D.N. Priyadarshani and H.K.M.S. Kumarasinghe</i>	41
Technical Session B – Frontiers in Food, Animal, And Nutritional Sciences	42
Manufacture of rice bread by forced gelatinization and post gelatinization processes <i>S.B. Navaratne</i>	43
Some studies on characterization of bacterial contents in bio-yoghurts marketed in Europe and Sri Lanka <i>V.S. Jayamanne, M.R. Adams and K.C. Dissanayaka</i>	44
Effect of storage temperature of raw cream, on quality of sour cream <i>N.M.N.K. Narayana, W.S.S. De Silva and R.A.J.N.L. Rupasinghe</i>	46

Estimation of nutritional status of milking cows under small farmer conditions in Kamburupitiya area <i>A. Manawadu and R.T. Seresinhe</i>	48
Psychological determinants of consumer reactions to food risk communication: case of potential contamination of meat and fish products <i>G. S. P. Somarathne and U. K. Jayasinghe-Mudalige</i>	49
Biochemical changes of avocado (<i>Persea americana</i>) fruits packaged in selected permeable films <i>T. Mahendran and K. Prasannath</i>	50
Small polybag silage (SPBS); an adaptive technique to overcome the feed shortage of dairy animals in the dry zone. <i>G.G.C. Premalal and S. Premaratne</i>	51
Evaluation of meat quality of broiler chicken fed diets with or without fishmeal from 21-42 days <i>R.P. Amarasekara, N.S.B.M. Atapattu and R.A.U.J. Marapana</i>	52
Effects of two ideal amino acid profiles and lysine levels on growth performance of broiler chicken <i>M.K.D.K. Piyaratne, N.S.B.M. Atapattu and K.P. Wickramasinghe</i>	53
Refused tea reduces the emission of ammonia from poultry litter <i>U.D. Belpagodagamage and N.S.B.M. Atapattu</i>	54
Suitability assessment of detergent analysis method as an alternative method for non enzyme gravimetric method in dietary fiber analysis <i>K.K.M. Nishanthi, M.S.W. De Silva and J.A.G. Jayasinghe</i>	55
The field performance evaluation of a solar dryer for drying medicinal plants <i>C.J. De Mel, A.R. Ariyaratne and C.P. Rupasinghe</i>	56
Development of fish crackers and its quality characteristics <i>T. Anuja, K. Premakumar and T. Gayathiri</i>	58
Modeling desorption isotherm of fresh tea leaves <i>Camellia sinensis</i> var. Assamica <i>W.S. Botheju, K.S.P. Amarathunge and I.S.B. Abeysinghe</i>	59
A study on the behavior of broiler chicken during day time <i>H.A.D. Nayanarasi, N.S.B.M. Atapattu and D. Senarathne</i>	60

Effect of vitamin B or C supplemented water on gastric transit time of fear-stressed layer chicken <i>H.A.D. Nayanarasi and N.S.B.M. Atapattu</i>	61
Effects of wet feeding on growth performance and gastric transit time of broiler chicken <i>K.P. Wickramasinghe and N.S.B.M. Atapattu</i>	62
Species diversity of sea anemones and their economic value <i>R.M.S. Priyantha, N.Y. Hirimuthugoda M.M.K. Premakumara and P.K. Lal</i>	63
Technical Session C – Future trends in Agricultural Economics, Management and Behavioural Sciences	64
Quantification of causal maps using Bayesian Belief Networks (BBN): experiences from participatory rural appraisal (PRA) in smallholder rubber sector of Sri Lanka <i>W. Wijesuriya, A. Dissanayake and M. Wijeratne</i>	65
Performance analysis of village chicken production in Trincomalee district <i>M.M. Mahusoon, K.J. Nithaharan and S. Rauff</i>	66
Perspectives and socio-economic aspects of improved cooking stove “Anagi” <i>A. L. Sandika and K. Vidanapathirana</i>	67
Quality of cinnamon quills exported from Sri Lanka: The role of extension services to improve quality of product <i>P. Sivarajah and P.S.S. Jayampathi</i>	69
A study on profitability of broiler production in Vavuniya district <i>K.J. Nithaharan and M.M. Mahusoon</i>	71
Influence of information sources on adoption of combine paddy harvester in Batticaloa district <i>S. Sivagnanam and T. Geretharan</i>	72
Farmers’ perception in employing diverse feeding practices for goats in Hambantota area <i>B. Piyadigama, R.T. Seresinhe, C.R. Soliva, M. Kruezer, R.A.U.J. Marapana and W.A.R.P. Perera</i>	73

Use of agricultural byproducts for cultivation of oyster mushrooms at seed production and fruit production stages <i>K.L. Wasantha Kumara, D.G.P. Ransimala and N.N. Dissanayake</i>	74
Agriculture of pre-historic Sri Lanka: from hunter gatherers to farmers <i>D.U. Wijetunge</i>	75
Performance of composting household kitchen wastes: A case study in Matara municipality <i>S.N. Subasinghe and L.M. Abeywickrama</i>	76
Trends of Indo-Sri Lanka agricultural trade in the context of liberalization <i>L.M. Abeywickrama and P.S. Rangi</i>	77
Improvement of social harmony through community based household waste management and urban agriculture <i>L.M. Abeywickrama</i>	79
Exploration of reasons to change farmer's attitudes towards ecological vegetable farming in southern Sri Lanka: evidence from a case study <i>K.M.C.Fernando, G.Lieblein, C.Francis, S.Subasinghe and L. Weerakoon</i>	80
Environmental literacy of the general public: A case study in Matara municipality <i>L.M. Abeywickrama and S. N. Subasinghe</i>	81
Financial analysis of different cropping systems of brinjal (<i>Solanum melongena</i> L.) intercropped with groundnut (<i>Arachis hypogaea</i> L.) <i>I. Brintha and T. H. Seran</i>	83
Global opportunities for the tea trade: a Sri Lankan perspective <i>S.P. Rathnayaka</i>	84
Transformational development indicators to measure the impact of community development programmes in rural societies <i>L.M. Abeywickrama</i>	86
Technical Session D – Concerns over Ecosystem Management and Sustainability	88
Towards environmental sustainability: integration of management practices with inherent characteristics of rubber plant <i>L. Samarappuli</i>	89

Unconfined groundwater distribution in sprin vally area, in Badulla district, Sri Lanka <i>H.M.T. Nisansala and R.U.K. Piyadasa</i>	90
Environmental interaction and biodiversity of mangrove crabs in the Kadolkele mangrove <i>S.H.R. Priyadarshani, N.Y.Hirimuthugoda, S.C. Jayamanna, P.K. Lal and M.M.K. Premakumara</i>	91
A historical trend analysis of rainfall and temperature in Sri Lanka <i>A.D. Ampitiyawatta and A.W. Wijeratne</i>	92
Characterization of soil physical properties on an undulating terrain of reddish brown earth (Rhodustalfs) and low humic gley (Endoaqualfs) soils <i>K.N. Karunarathna, M.G.T.S. Amarasekara, D.M.S. Duminda and D.M. Jinadasa</i>	93
Effects of phosphate fertilizer sources on the availability of some phosphate fractions in the lateritic soils of intermediate zone of Sri Lanka <i>D.M.S. Duminda, L.L.W.Somasiri and K.A.S.Pathiratne</i>	94
Groundwater quality assessment and distribution in Kolonnawa agriculture dominate area- Sri Lanka <i>M.N.M. Nalim, R.U.K. Piyadasa, K.D.N. Weerasinghe and J.A. Liyanage</i>	95
Feasibility of phosphorus and nitrogen recovery from biogas digester effluent <i>P.W.A. Perera, Z. Han, Y. Chen and W.Wu</i>	96
Illicit river sand mining in Sri Lanka: impact on environment, agriculture and the community <i>K. Athukorala, C.M. Navaratne and R.U.K. Piyadasa</i>	97
Nitrogen mineralization under saline conditions <i>B.C. Walpola, W.A.A. Priyangi, P.K.U. Pitigala, S.H.R. Piyadharshani and S.D. Wanniarachchi</i>	98
Soil quality parameters of tsunami affected soils in Madiha area, Matara district, southern Sri Lanka <i>S.H.R. Priyadarshani, B.C. Walpola and S.D. Wanniarachchi</i>	99
Soil moisture behaviour in red yellow podzolic soils under tea canopy and bare soil in Mapalana <i>G.V.T.V. Weerasooriya and K.D.N. Weerasinghe</i>	100

Selected chemical characteristics of soils in potato growing areas of up country intermediate zone (UCIZ) in Sri Lanka. <i>K.M.S. Kodikara, S.M. Wijesundara, S.M.K.G. Yatagama</i>	101
Physico-chemical characteristic changes of soil and groundwater in tsunami affected southern Sri Lanka <i>T.H.Y. Dharmasena, R. U. K. Piyadasa, K. D. N. Weerasinghe, J. A. Liyanage, W.A.D.C.S. Weerasinghe</i>	102
Towards Sustainable Agriculture through Solar drying Technologies <i>C.P. Rupasinghe, T. Sugathapala and W. Senadeera</i>	103
Carbon mineralization under saline conditions <i>B. C. Walpola, P. K. U. Pitigala, W. A. A. Priyangi, and S. D. wanniarachchi</i>	104
Anthropometric Consideration of Agricultural Tractor Seat for Sri Lankan Women <i>C.P. Rupasinghe</i>	105
The impact of different drying methods on rice grain quality characteristics <i>R. F. Hafeel, B.P.Ratnayake, D.K. Padmalatha and E.M.R.D Edirisinghe</i>	106
Students' Research Session	107
Effects of the age of surgical castration on welfare of piglets <i>D.R. Paranawithana, T. Samarakone and W.W.D.A. Gunawardena</i>	108
Inoculation of black pepper (<i>Piper nigrum</i> L.) rooted cuttings with exotic and native vesicular - arbuscular mycorrhizal (VAM) fungi <i>H.L.D Lakmini, H.A. Sumanasena and M.K.T.K. Amarasinghe</i>	110
Effect of extended pollination time on fruit set and seed development and storage temperature on viability and storability of pollen of Eggplant (<i>Solanum melongena</i> L.) <i>M.G.D.K. Warnakulasooriya, H. Fonseka, S.G.J.N. Senanayake and D. Ratnasekera</i>	111
An economic assessment of urban solid waste recycling programmes (composting): A case study <i>P.A.J. Champika and W.M.M.P. Wijerathna</i>	112

Development of set type yoghurt from goat milk and evaluation of its shelf-life, sensory properties and microbiological quality <i>O.H. Pilapitiya, D.A.M. Arsekularatne and V. S. Jayamanne</i>	113
Evaluation of suitability of biodiesel extracted from different plant oil sources for agricultural tractors <i>K.T. Ariyawansa, L.W.S. Pemasiri and S. Weerakkody</i>	115
Effects of dietary rice bran on the cholesterol contents of chicken egg <i>W.C.J. Chandrasiri, N.S.B.M. Atapattu and N.M.K. Premakumara</i>	117
Evaluation of Lawalu (<i>Chrysophyllum roxburghii</i>) fruit meal as a feed ingredient for broilers <i>K.G.S. Sanjeevani, N.S.B.M. Atapattu and D. Senaratna</i>	118
Statistical analysis of refused tea in Sri Lankan tea industry <i>S.N.M. Abeysekara, D.A.B.N. Gunarathne and P. Sarukkali</i>	119
Studies on growth performances of <i>Chirita moonii</i> as affected by rooting media, hormone levels and method of propagation <i>K.G.K.D. Amarasinghe, M.K. Rubasinghe and S. Subasinghe</i>	120
Investigation of Brown Plant Hopper resistance in <i>Oryza nivara</i> and <i>Oryza eichinigeri</i> derived lines <i>S.A.P. Madurangi, G. Samarasinghe, S.G.J.N. Senanayake, P.V. Hemachandra and D. Ratnasekera</i>	122
Management methods for rice sheath mite (<i>Steneotarsonemus spinki</i> Smiley) <i>S.H.D.P. Amarasiri, L. Nugaliyadde and A.S. Pushpakumari</i>	124
Assessment of post harvest techniques of fruits in Southern province <i>P.K.S.E. Wimalasena and W.M.M.P. Wijeratna</i>	125
Potential and prospects of unutilized coir dust industry in the southern region <i>S. N. Dushani and W.N. De Silva</i>	126
Development of herbal tea with Masbedda (<i>Gymnema sylvestre</i> L.) and evaluation of its physicochemical, microbiological and sensory properties <i>A.K. Gurusinghe and V.S. Jayamanne</i>	128

Effect of soaking on phytates and correlation between total phosphorous and phytate levels of brown (unpolished) rice

W.D.C.S. Abeywickrama, D. Rajapakse and V. Wijeratne

130

A software application for calculating the groundwater level

D.S.R. Wijewardane, C.M. Navarathne, R.U.K. Piyadasa and K.K.L.B. Adikaram

132

Mapping the status of paddy production system using GIS technique for developing the decision support system in Kamburupitiya Divisional Secretariat Division

P.D. Kahandage, C.P. Rupasinghe and P.G. Chandana

134
