Abstract	1
<b>1. Chapter one : Introduction to the study</b>	<b>2-7</b>
1.1 Background of the study	2-3
1.2 Theoretical framework	3-5
1.3 The research problem	5-6
1.4 Objectives of the study	06
1.5 Data analysis	06
1.6 Organisation of chapters	07
<b>2. Chapter two: Literature survey on theoretical and empirical Backgrounds</b>	<b>8-72</b>
2.1 Basic concepts and theoretical background	8-13
2.1.1 Monetary policy	9-13
Goals of monetary policy	11-13
2.1.2 Transmission mechanisms of monetary policy	13-28
2.1.2.1 Traditional interest rate channel	14-25
Four stages of the traditional interest rate channel	15-25
○ Central Bank actions affect short term interest rates via banking sector liquidity	16
○ Overnight rates on other interest rates and exchange rates	17-18
○ Interest rate and exchange rates affect aggregate demand and supply	18-24
○ Changes in aggregate demand and supply affect inflation	24-25
2.1.2.2 Asset price channel	25-26

2.1.2.3 Exchange rate channel	26
2.1.2.4 Narrow credit channel (bank lending channel)	27
2.1.2.5 Expectations channel	28
2.1.3 An overview of monetary theories	28-46
2.1.3.1 The Quantity Theory of money (Newcombe's theory and Fisher's theory)	32-34
2.1.3.2 Theory of Loanable Funds	34-36
2.1.3.3 The Keynesian Monetary theory (Keynes Liquidity Preference Theory)	36-40
2.1.3.4 Further developments in the Keynesian approach	40-42
2.1.3.5 Restatement of the Quantity Theory (Monetarism)	42-46
2.1.4 Influence of interest rates on investment	46-53
2.1.4.1 Irving Fisher's Investment theory on the internal rate of return	47-49
2.1.4.2 The Keynesian view of investment and interest rates	49-52
2.1.4.3 Monetarist view of investment and interest rates	52-53
2.1.5. Money supply, changes in nominal income and price level	53-57
2.1.5.1 Monetarist view of money, income and price level	53-57
2.1.6 The relationship between interest elasticity of demand for money and efficiency of monetary policy	57-59

2.2 Empirical background on the effectiveness of the interest rate channel in the transmission mechanism	59-72
2.2.1 Effect of market interest rate on the demand for money	61-66
2.2.2 Interest rate and exchange rates affect investment and finally, inflation	66-72
<b>3. Chapter three: Methodology of the study</b>	<b>73-86</b>
3.1 Conceptual framework	73-76
3.2 Data and Methodology	76-86
3.2.1 Data description	76-79
3.2.2 Hypothesis of the objectives	79-81
3.2.3 Methods of the analysis	81-86
3.2.3.1 Expected long run money demand model and short run dynamics of money demand	81-82
3.2.3.2 Expected long run investment model and short run dynamics of investment	83-84
3.2.3.3 Expected long run price level model and short run dynamics of price level	84-86
<b>4. Chapter Four: Monetary policy and behavior of macro-economic variables in Sri Lanka</b>	<b>87-104</b>
4.1 Developments of monetary policy in Sri Lanka	87-94
4.1.1 Experiences of the financial system post-1948	88-89
4.1.2 Monetary policy management under the open economic policy	90-91
4.1.3 Monetary policy instruments	91-93
4.1.4 Interest rate as a key monetary policy instrument	93-94
4.2 The behavior of changes in interest rate, investment, GDP and inflation post-1977	94-104

<b>5. Chapter Five: Empirical Analysis</b>	<b>105-127</b>
5.1. Introduction	105
5.2 Results of the unit root test	105-108
5.3 Long run and short run dynamics of money demand, investment and price level	108-115
5.3.1 Testing the effect of interest rate on the demand for money	108-115
5.3.1.1 Co-integration test for real money balances	109-111
5.3.1.2 Long run model (Money Demand function)	111-113
5.3.1.3 Short run dynamics of Real Money demand	113-115
5.3.2 Testing the effects of the interest rate on investment	116-122
5.3.2.1 Results of the co-integration test for investment	116-117
5.3.2.2 Long run Investment Model	118-119
5.3.2.3 Short run dynamics of investment	119-122
5.3.3 Testing the effects of money supply and income on price level	122-127
5.3.3.1 Co-integration test for price level	123-124
5.3.3.2 Long run price level model	124-125
5.3.3.3 Short run dynamics of price level	125-127
<b>6. Chapter six: Summary and Conclusion</b>	<b>128-133</b>
6.1 Summary	128-132
6.2 Conclusion	133
<b>List of References</b>	<b>134-144</b>
