Academic year 2021/2022

Course Unit: **TCS4232 - Active Citizenship**

Duration: **2 hours**

INSTRUCTIONS

This paper contains three questions.

Answer all questions.

Attach the question paper to the end of the answer script.

.....
Question 01

- i. Write down **five (05)** essential characteristics/qualities of an active citizen (**25 marks**)
- ii. Indicate **five (05)** important skills that you developed through the “Active Citizenship” program (**25 marks**).
- iii. Explain, briefly, how each skill that you mentioned in Question 1 (ii) will be beneficial for your future career (**50 marks**).

Question 02

- i. Outline **four (04)** benefits of exploring / understanding your visible and hidden identities (**40 marks**).
- ii. Nuwan learned that a group of his close friends had organized a dinner out, and he was not invited. Nuwan thought that he was excluded from this gathering because he recently got infected with COVID-19. However, Nuwan has now fully recovered and even completed his 14-day quarantine period. He got extremely angry as he was not invited to this party though he had a close friendship with this group of friends for over ten years. On the day of the party, Nuwan went to the hotel and started blaming and scolding his friends aggressively.

Imagine that you are the hotel manager and you happened to witness the situation. Explain, briefly, how you would manage this conflicting situation as an active citizen (**60 marks**).

Question 03

Suppose that you are planning to implement a Social Action Project to implement a “Waste Management System for the Faculty of Technology” with the help of your batchmates. Assume that you need to complete this task within three months.

- i. List the key stakeholders of this Social Action Project **(20 marks)**.
- ii. Analyse the Strengths, Weaknesses, Opportunities, and Threats (SWOT) related to planning this project **(40 marks)**.
- iii. Outline the key activities that you would propose to accomplish this task **(40 marks)**.
