

## Table of Contents

### Oral Presentations

#### **Technical Session A I – Science and Fisheries**

AI-01 Semi-diurnal variability of Weligama Beach due to tidal and wave actions by K. K. A. S. Yapa, S. Mole and M. Al Safaani	20-25
AI-02 Phylogenetic position of Sri Lankan freshwater prawn <i>Macrobrachium rosenbergii</i> (Decapoda: Palaemonidae) by D. H. N. Munasinghe	26-31
AI-03 Preliminary study of the segregating pattern of anthocyanin pigmentation as a marker to facilitate tea breeding by U.V.A. Buddhika, S. Hettiarachi, K. K. U. G. Hemamali and M. T. K. Gunasekara	32-38
AI-04 Identification of yeast strains in three different “arishta” using molecular techniques by M.M.N.D.M Bandara, S. Hettiarachchi, G. A. S. Premakumara, P. Ranasinghe and S. Abeysinghe	39-43

#### **Technical Session A II – Science and Fisheries**

AII-01 Effect of natural organic matter on the reductive dechlorination of chlorinated hydrocarbons in surface-mediated Fe(II) associated with goethite system by R. A. Maithreepala and S.B. Haderlien	44-49
AII - 02 Feeding Ecology, Reproductive Biology and Aspects Related to Selected Marine Ornamental Fish <i>Abudefduf vaigiensis</i> by W.A.F.C. Perera and P.R.T. Cumararatunga	50-57
AII-03 Effects of mesterolone (a synthetic testosterone derivative) treated food on the sex reversal of young guppy, <i>Poecilia reticulata</i> (PETERS) by N.K.N.K. Vidyaratna and P.R.T. Cumararatunga	58-62
AII-04 Screening of tomato ( <i>Lycopersicon esculentum</i> L.) varieties resistant to anthracnose caused by <i>Colletotrichum coccodes</i> by C. Rathnaweera, S. Abeysinghe, R.G.A.S Rajapakse, and S. M. I. S. K. Sakalasooriya	63-66
AII-05 Preliminary study on physico-chemical characteristics and determination of pollutants in Mirissa and Puranawella harbours of southern Sri Lanka by N. J. L. Hewapathirana and H. B. Asanthi	67-73

#### **Technical Session A III– Medical**

AIII-01 Sri Lankan study on morphology of the azygos venous system: a preliminary study by M. B. Samarawickrama, B. G. Nanayakkara, I. Illeperuma, E. Wannigama, K. L. A Udenika, R. E. Attanayake, N. Abeygunaratna and H. A. A. Wimal	74-78
AIII-02 Physical activity among adults in southern Sri Lanka by B. Perera, N. Fernando and T. Ostbye,	79-81
AIII-03 An audit on quality of request letters for electroencephalography interpretation sent to Clinical Neuroscience Centre, Faculty of Medicine, Galle by K. D. Pathirana, S.C. Atapattu, W.A.H.S. Chandrasena, and Chathurika, H.K.R.	82-84
AIII-04 Estimation of personal height from the length of ulna bone by I. Illeperuma, B. G. Nanayakkara, and K. N. Palabepitiya	85-88
AIII-05 Preliminary study to find the feasibility of conducting School Medical Inspection (SMI) with the help of students of senior classes by K.G. Somasiri, J.P. Kariyawasam, J.M.S. Niyas and Y.B.M. Dismini	89-91

#### **Technical Session B I – Agriculture**

BI-01 Influence of particle size of rice flour in manufacturing of rice/wheat bread by G. T. Darshanika and S. B. Navaratne and C. P. Rupasinghe	92-96
BI-02 Study on behavioral changes of farm animals prior to the natural disaster by D. S. Hewamanage, R. A. U. J. Marapana and R. T. Serasinbe	97-100
BI-03 Design an automated computerized cooling system for controlling and recording the temperature in the tropical protected houses by G. S. U. Dias, C.M. Navaratne and M. K. D. K. Piyaratne	101-105
BI-04 Revitalization of citronella industry in the southern region by K. K. L. S. Somarathne, W. N. De Silva and K. D. N. Kodikara	106-112

#### **Technical Session B II – Agriculture**

BII-01 Effects of a qualitative feed restriction strategy on the growth performance and feed cost of mature broiler chicken by N.S.B.M. Atapattu and W. C. J. Chandrasiri	113-118
BII-02 Constraints in Indo-Sri Lanka agricultural trade: perspective of stakeholders by L.M. Abeywickrama and P.S. Rangji	119-123
BII-03 A comparative study of the quality of yoghurt marketed in Southern Sri Lanka by large scale manufacturers and by rural households by N. M. N. K. Narayana, M. M. K. Premakumara and P. K. Lal	124-128
BII-04 Effects of shells grit on physical and nutritional properties of chicken eggs N. S. B. M. Atapattu and H. A. D. Nayanarasi	129-131
BII-05 GIS based analysis on environmental sensitive areas and identification of the potential disaster hazardous locations in Matara District by G. P. T. S. Hemekumara	132-135

Preface	v
Message from the Vice Chancellor	vii
Keynote Address	01-04
Oration of the Sixth Academic Sessions	05-18
<b>Oral Presentations</b>	
<i>Technical Session A I – Science and Fisheries</i>	
AI-01 Semi-diurnal variability of Weligama Beach due to tidal and wave actions <i>K. K. A. S. Yapa, S. Mole and M. Al Safaani</i>	20-25
AI-02 Phylogenetic position of Sri Lankan freshwater prawn <i>Macrobrachium rosenbergii</i> (Decapoda: Palaemonidae) <i>D. H. N. Munasinghe</i>	26-31
AI-03 Preliminary study of the segregating pattern of anthocyanin pigmentation as a marker to facilitate tea breeding <i>U.V.A. Buddhika, S. Hettiarachi, K. K. U. G. Hemamali and M. T. K. Gunasekare</i>	32-38
AI-04 Identification of yeast strains in three different “arishta” using molecular techniques <i>M.M.N.D.M Bandara, S. Hettiarachchi, G. A. S. Premakumara, P. Ranasinghe and S. Abeysinghe</i>	39-43
<i>Technical Session A II – Science and Fisheries</i>	
AII-01 Effect of natural organic matter on the reductive dechlorination of chlorinated hydrocarbons in surface-mediated Fe(II) associated with goethite system <i>R. A. Maithreepala and S.B. Haderlien</i>	44-49
AII - 02 Feeding Ecology, Reproductive Biology and Aspects Related to Selected Marine Ornamental Fish <i>Abudefduf vaigiensis</i> <i>W.A.F.C. Perera and P.R.T. Cumarantunga</i>	50-57
AII-03 Effects of mesterolone (a synthetic testosterone derivative ) treated food on the sex reversal of young guppy, <i>Poecilia reticulata</i> (PETERS) <i>N.K.N.K.Vidyarathna and. P.R.T. Cumarantunga</i>	58-62
AII-04 Screening of tomato ( <i>Lycopersicon esculentum</i> L.) varieties resistant to anthracnose caused by <i>Colletotrichum coccodes</i> <i>C. Rathnaweera, S. Abeysinghe, R.G.A.S Rajapakse, and S. M. I. S. K. Sakalasooriya</i>	63-66

AII-05	Preliminary study on physico-chemical characteristics and determination of pollutants in Mirissa and Puranawella harbours of southern Sri Lanka <i>N. J. L. Hewapathirana and H. B. Asanthi</i>	67-73
--------	--	-------

### **Technical Session A III- Medical**

AIII-01	Sri Lankan study on morphology of the azygos venous system: a preliminary study <i>M. B. Samarawickrama, B. G. Nanayakkara, I. Illeperuma, E. Wannigama, K. L. A. Udenika, R. E. Attanayake, N. Abeygunaratna and H. A. A. Wimal</i>	74-78
AIII-02	Physical activity among adults in southern Sri Lanka <i>B. Perera, N. Fernando and T. Ostbye,</i>	79-81
AIII-03	An audit on quality of request letters for electroencephalography interpretation sent to Clinical Neuroscience Centre, Faculty of Medicine, Galle <i>K. D. Pathirana, S.C. Atapattu, W.A.H.S. Chandrasena, and Chathurika, H.K.R.</i>	82-84
AIII-04	Estimation of personal height from the length of ulna bone <i>I. Ilayperuma, B. G. Nanayakkara, and K. N. Palahepitiya</i>	85-88
AIII-05	Preliminary study to find the feasibility of conducting School Medical Inspection (SMI) with the help of students of senior classes <i>K.G. Somasiri, J.P. Kariyawasam, J.M.S. Niyas and Y.B.M. Dismini</i>	89-91

### **Technical Session B I - Agriculture**

BI-01	Influence of particle size of rice flour in manufacturing of rice/wheat bread <i>G. T. Darshanika and S. B. Navaratne and C. P. Rupasinghe</i>	92-96
BI-02	Study on behavioral changes of farm animals prior to the natural disaster <i>D. S. Hewamanage, R. A. U. J. Marapana and R. T. Serasinhe</i>	97-100
BI-03	Design an automated computerized cooling system for controlling and recording the temperature in the tropical protected houses <i>G. S. U. Dias, C.M. Navaratne and M. K. D. K. Piyarathne</i>	101-105
BI-04	Revitalization of citronella industry in the southern region <i>K. K. L. S. Somarathne, W. N. De Silva and K. D. N. Kodikara</i>	106-112

### **Technical Session B II - Agriculture**

BII-01	Effects of a qualitative feed restriction strategy on the growth performance and feed cost of mature broiler chicken <i>N.S.B.M. Atapattu and W. C. J. Chandrasiri</i>	113-118
--------	---	---------

BII – 02	Constraints in Indo-Sri Lanka agricultural trade: perspective of stakeholders <i>L.M. Abeywickrama and P.S. Rangi</i>	119-123
BII-03	A comparative study of the quality of yoghurt marketed in Southern Sri Lanka by large scale manufacturers and by rural households <i>N. M. N. K. Narayana, M. M. K. Premakumara and P. K. Lal</i>	124-128
BII-04	Effects of shells grit on physical and nutritional properties of chicken eggs <i>N. S. B. M. Atapattu and H. A. D. Nayanarasi</i>	129-131
BII-05	GIS based analysis on environmental sensitive areas and identification of the potential disaster hazardous locations in Matara District <i>G. P. T. S. Hemekumara</i>	132-135

***Technical Session CI – Humanities & Social Sciences and Management & Finance***

CI-01	සිංහල භාෂාවේ ණ, න - ළ , ල අක්ෂර පිළිබඳ අදාතන ගැටලු ධර්මා රාජපක්ෂ	136-149
CI-02	Challenges faced in introducing the 'Theory of Collective Leadership' to the third world context: a case study on Sri Lanka <i>H. I. G. C. Kumara and R. A. W. D. Jayawardana</i>	150-154
CI-03	The effects of natural environmental factors on temporal and spatial distribution of malaria in the Anuradhapura District <i>G. Edirisinghe</i>	155-164
CI-04	Children's perceptions on their parent's migration for foreign employment <i>R. A. S. P. Ranabahu</i>	165-168

***Technical Session C II – Humanities & Social Sciences and Management & Finance***

CII-01	Environment and development: the difficult choices ahead for achieving sustainable development <i>C. Gunasinghe</i>	169-173
CII - 02	ශ්‍රී ලංකාවේ රාජ්‍ය නිලධාරීන් වූයේ සංවර්ධන වගකීම් වලට ගැලපෙන ලෙස සකස් කිරීම මතනුවර (ගොවිජන සේවා දෙපාර්තමේන්තුව හා එහි සේවා සම්පාදනය ආශ්‍රයෙන්) අයේෂා ගොඩගම	174-183
CII-03	Career locus of control; comparative analysis between management and arts undergraduates of University of Ruhuna <i>L.R. Rupasinghe and S. A. Buddhika</i>	184-190

CII-04	Perceived services quality of public and private banks: an application of the BANKSERV Model <i>P.K.C. Dinesha and C.V. Rathnayake</i>	191-196
CII-05	Determinants of subjective career plateau <i>B.L. Galhena</i>	197-204

***Technical Session C III – Humanities & Social Sciences and Management & Finance***

CIII-01	Impact of celebrity personality on brand personality: empirical study using young consumers in Southern Province <i>T. R. Wijesundara and S. A. Buddhika</i>	205-212
CIII-02	Impact of internal controls of organizational effectiveness: case study of Harschandra Mills <i>S. A. S. Priyadarshani and H. V. D. I. Abeywickrama</i>	213-218
CIII-03	Influencing factors to job satisfaction in retail enterprises in Sri Lanka: an empirical investigation <i>P. E. D. D. Silva</i>	219-225
CIII-04	Cognitive impact on fashion preference: an empirical investigation of the clothing preferences of university students <i>C. V. Rathnayake, P. A. P. S. Kumara and H. S. C. Perera</i>	226-231

***Technical Session D I – Engineering***

DI-01	Utilization of quarry dust to improve engineering properties of soils in highway construction <i>R. M. S. D. Wijesooriya, S. N. Jayasinghe, W. R. M. B. E. Wickramasinghe, S. T. A. J. Yapa and N. H. Priyankara</i>	232-239
DI-02	Constructability and performance of continuous masonry <i>H. Sooriyaarachchi, J.M.N.U.J. Menike, J. K. S. Gamage, P. A. M. Chandani and D. D. Edirisinghe</i>	240-247
DI-03	Dam breach analysis using HEC models: a case study for Samanalawawa and Udawalawe dams <i>N. D. P. Ransara and G. H. A. C. Silva</i>	248-252
DI-04	Vibration damage to existing masonry structures caused by construction activities <i>H. Sooriyaarachchi, J.M.N.U.J. Menike, J. K. S. Gamage, P. A. M. Chandani and D. D. Edirisinghe</i>	253-261

*Technical Session DII – Engineering*

DII-01

Feasibility of quarry dust to replace river sand as fine aggregate of concrete

262-268

*H. Sooriyaraachchi, R. W. C. N. Rajapaksha, R. K. S. Pushpakumara,  
S. H. Y. I. De Silva and A.Sathyadasan*

DII - 02

Comparison of structural behavior of existing cold-formed  
steel purlin sections used in Sri Lanka

269-274

*T. D. Mallikarachchi, S. S. Kumara, G. A. R. Lakshan, and G. P. S. Udayanga*

DII-03

Application of extensive green roof systems to mitigate  
adverse effects due to urbanization in Sri Lanka

275-282

*G.H.A.C. Silva, , J.A.R. Dayarathne, S. A. Sadiq and W.R.L.K. Wijesuriya,*

## Poster Presentations

- P-01  
Present status and future prospects of buffalo curd production in Thihagoda DS in Matara - Sri Lanka: a case study 284-287  
*G.C. Samaraweera*
- P-02  
Effect of drought stress on morphological characters of four tree species at seedling stage 288-293  
*W.G.D. Lakmini, I.R. Palihakkara, N.D.N. Priyadarshani, and G.S.S. Senevirathna*
- P-03  
An analysis of farmers' capacity in using the Information and Communication Technology (ICT) to acquire the agricultural information: A Case Study in Hungama Area 294-299  
*A. L. Sandika*
- P-04  
Study on efficacy of some botanicals against *Colletotrichum gloeosporioides* causing anthracnose disease in brinjal (*Solanum melongina* L.) 300-302  
*K. A.T.K.G. Kandanamulla and K. L. Wasantha Kumara,*
- P-05  
Behaviour of laying hens subjected to noise induced fear 303-308  
*D.R. Paranawithana, N.S.B.M. Atapattu, and D. Senarutna*
- P-06  
A comparison of the behavior of free-range laying hens in an agro-forestry system with an commercially reared laying hens 309-311  
*D. Senarutna, N.S.B.M. Atapattu, D.U. Belpugodagama, B. Piyadigamu V.D. Dahanayake, K.N. Prusanna, B.A. Madhawa, and P.K. Lal,*
- P-07  
Effects of dietary phytase above the industry standards on the water intake pattern of broiler chicken. 312-315  
*N.S.B.M. Atapattu and H.A.D. Nayanarasi*
- P-08  
Callus Induction and Plant Registration of Selected Genotypes in Indica Rice Through Another Culture 316-319  
*S.D.P. Srimalee, D. Ratnasekara, A. P. Bentota and S.G.J.N. Senanayake*
- P-09  
A case study of Bhutanese refugees in Nepal 320-325  
*M. Galappaththi*
- P-10  
ශ්‍රී ලංකීය කාන්තා අයිතිවාසිකම් ආරක්ෂා කිරීමේ යාන්ත්‍රණයක් ලෙස ජාතික ජාතික කාන්තා කමිටුවෙන් ඉටුවන කාර්යභාරය පිළිබඳ විශ්ලේෂණාත්මක අධ්‍යයනයක්. 326-334  
කන්නන්ගර, එ. ඔ. ඩී.
- P-11  
Role of budgeting process in achieving organizational goals as a strategic planning tools: a case at Harischandra Mills Plc 335-340  
*H. A. C. Jeewanthi and M. W. Indrani*

P-12	Sex differences in the diameter of coronary arteries <i>I. Ilayperuma, B. G. Nanayukkara and K. N. Palahepitiya</i>	341-344
(Oral???)		
P-13	Is the prevalence of thyroiditis increasing? Findings of an audit of thyroid patients <i>M. B. Samarawickrama, C. T. R. Kasturi and N. A. Wickramasekara</i>	345-347
P-14	A randomized, double blind clinical trial of commercial garlic on improvement of lung functions in asthmatic patients <i>L. M. Hettihewa</i>	348-355
P-15	The effect of human impacts on the distribution of molluscs in Lunuwila Ela, Galle <i>H. M. V. Udayantha and D. H. N. Munasinghe</i>	356-359
P-16	Effect of potassium nitrate (an N-Nitrate pollutant) on the survival of aquatic developmental stages of endemic common tree frog, <i>Polypedates cruciger</i> (Amphibia: Rhacophoridae) under the laboratory conditions. <i>B.M.A.R. Balangoda, K. H. M. A. Deepananda, and H. C. E. Wegiriya</i>	360-363
P-17	Improvement of the regeneration medium for embryo derived calli of some selected Indica Rice varieties <i>K. Pushpanjie, H. M. P. S. Kumari, L. P. Jayatissa and U. N. D. Silva,</i>	364-370
P-18	Potential and threat of C-waste accumulation : A cats study at Faculty of Agriculture, University of Ruhuna. <i>N. Liyanarachchi and S. Wijethunga</i>	371-373
