

Tropical Agricultural Research and Extension

Volume 2, No.1 June 1999

CONTENTS

Research articles

- Inheritance and joint segregation pattern of testa colour and plant growth habit in mungbean** 1 - 3
(*Vigna radiata* (L.) Wilczek)
G.S.S.Khattak, M.A.Haq, and M.Ashraf
- Exotic mungbean (*Vigna radiata* L. Wilczek) germplasm: Its utilization through conventional breeding approach** 4 - 6
M. Siddique Sadiq, G.S.S. Khattak, M. Saleem and G. Sarwar
- Genetic Control of Seed Coat Texture in Cowpea, *Vigna unguiculata* (L.) Walp.** 7 - 9
O.B. Kehinde and M.A. Ayo-Vaughan
- Genotypic and seasonal variation in stomatal characters in Trombay Groundnut varieties** 10 - 12
Anand M. Badigannavar, D.M Kale, S.G Bhagwat and G.S.S Murty
- Mode of inheritance and allelic relationships of gene(s) governing resistance to gall midge (*Orseolia oryzae* Wood Mason) in some rice cultivars** 13 - 16
R. Mishra, A.K. Sarawgi, M.N. Shrivastava and N.K. Rastogi
- In Vitro* culture of peanut (*Arachis* sp.) pegs** 17 - 20
Chuan Tang Wang, Fu Yu Shen, Qing Shu Qiu and Jian Zhi Xu
- Survey and identification of insect pests of oyster mushroom (*Pleurotus ostreatus*) cultures in central province of Sri Lanka** 21 - 25
R. Gnaneswaran and H. N. P. Wijayagunasekara
- Effect of seed treatment with hydrogen peroxide on germination and seedling vigour of teak (*Tectona grandis* Linn. f)** 26 - 29
P. Masilamani and C. Dharmalingam
- Performance of seed pelletization in *Acacia leucophloea* (Roxb.) under different soil types** 30 - 32
G. Mani, A.S. Ponnuswamy and K. Vanangamudi
- Effect of DDT residues in soil on productivity of oil seed crops** 33 - 39
J. Mitra and K. Raghu
- Residues of HCH and DDT in food samples from Hotels in Tamil Nadu** 40 - 43
V. Balasubramani and A. Regupathy
- Estimating the rate of recharge to the groundwater table using environmental chloride as a tracer** 44 - 50
R. P. de Silva
- Impact assessment of farmer training in integrated pest management in irrigated rice cultivation** 51 - 54
R. M. Gunaratne Bandara and C. Sivayoganathan

Performance of dairy farming on abandoned marginal tea lands in the mid country of Sri Lanka 55 - 66
R. de Jong, M.G. Ariyaratne and M.N.M. Ibrahim

Deviance in organizational communication: A case from Nigeria 67 - 71
E.C. Odiaka, C.P. Obinne AND A.B. Folarin

Short communications

Effect of soil drenching of fungicides on the survival of *Trichoderma viride* 72 - 73
K. Karunanithi and K. Mohamed Usman

Improvements on the traditional harvesting practice of *Girardinia diversifolia* 74 - 75
Rhidaya Shrestha

Influence of seed orientation and depth of sowing on germination and vigour of anjan (*Hardwickia binata* Roxb) 76 - 78
P. Masilamani, B. Gurudev Singh, C. Chinnusamy and K. Annadurai

Instructions for contributors 79 - 82
