Preface

Message of the Vice-Chancellor

Technical Session I

- Nature of carbon in soil humic substances and incorporation of corn residue-derived carbon to soil humic fractions as revealed by ^{13}C natural abundance. 1
S.D. Wanniarachchi and R.P. Veroney
- An analysis of different forecasting models for prices of coconut products in Sri Lanka 8
B.D.P. Rangoda, L.M. Abeywickrama and M.T.N. Fernando
- Revitalization of the Reed Industry - Two case studies in Kalapugama 16
village - Kalutara district and Habakkala, Kaikawala villages in Galle district.
B.M. Ranasinghe, M.K.K.K. de Silva and R. Senaratne
- Design and development of a power tiller operated centrifugal manure spreader with slurry 29
maker for organic farming.
P.L.A.G. Alwis, L.W.S. Pemasiri and S.T.A. Liyanage
- Effect of *Calliandra calothyrsus* on the yield and quality of Guinea grass 33
R.T. Seresinhe and A. Manawadu
- Screening of coconut (*Cocos nucifera*) for drought tolerance. 36
W.G.D. Lakmini, N.P.A.D. Nainanayake and W.A.J.M. de Costa
- Behaviour of the broiler chicken as affected by the form of diet. 41
N.S.B.M. Atapattu, S.S. Paththinige, G.A. Chandana and C.J. Gajaweera
- Mass Propagation and conservation of Daffodil Orchid (*Ipea speciosa*): An endangered endemic 44
orchid
D.L.C. Kumari, K.K.S. Fernando and S.D.A. Wijesundara
- Adaptability of dry weight rank method for botanical analysis of natural pasture grown in 50
coconut plantations
D. Senaratne, R.T. Serasinhe, K.K. Pathirana and N.S.B.M Atapattu
- Effect of temperature - time combination and carbon dioxide addition on shelf life extension 52
of chilled pasteurised cow milk.
N.M.N.K. Narayana and K.F.S.T. Silva
- In-vitro germination of red sandalwood (*Pterocarpus santalinus* L.) seeds. 57
G.D.G. Chaturani, M.P. Jayatilleke and S. Subasinghe
- Evaluation of different levels of Sucrose, BAP and Photoperiod regimes for in-vitro 60
microtuber production of potato (*Solanum tuberosum* L.)
P.E. Kaliyadasa, M.M. Nugaliyadda and N. Iddagoda
- ## Technical Session II
- Stress perception among meditators who are affected by tsunami 65
K.G. Somasiri, C.L. Samaranayake, C.P. Nissanka and A.J.P.M. Jayawardena
- Prevalence of obesity and the correlation between different indices of obesity among healthy 66
Sri Lankans
T.P. Weeraratne and H.M.M. Herath

Remote controlled bioacoustics analyzer as a teaching and diagnostic tool in auscultation studies and in clinical practice N.K.V.M. Ruvin Kumara	69
Epidemiological aspects of some mental health symptoms in undergraduates Bilesha Perera, Erandathi Lelwala and Nayana Fernando	73
Prevalence of metabolic syndrome among the off-spring of individuals with type 2 diabetic mellitus H.M.M. Herath, T.P. Weeraratne and S.U. Kannangara	75
Sensory evaluation of fortified rice flour based foods at different levels of fortification M. Hettiarachchi and C. Liyanage	78
Xanthones from roots of <i>Calophyllum thwaitesii</i> and their bioactivity M.T. Napagoda, S.B. Tennakoon, V. Thevanesam and H.R.W. Dharmaratne	83
An instrument to evaluate a lecture K.G. Somasiri, S. Gunawardena, W.A.A. Wijayasiri and Nelun de Silva	88
A rapid learning tool to learn a new language using Graphic intermediaries (Gi) R.W. Seneviratne and M.M. Kumara	90
Managing employees towards organizational success : A case study of entrepreneurs in the southern province H.S.C. Perera and A. Dayananda	95
Technical Session III	
The Galle District economy in the face of the depression - 1929-1933 J.K. de Silva	99
The efficiency of the local governance in water resources management of the Moneragala District, Sri Lanka D.L.A.H. Shammika and S.D. Chaminda	102
Role of indigenous fungi for the control of <i>Echinochilon</i> species G.G.M.S. Sugunadasa and N.P. Dissanayake	118
Comparative study on the diversity and abundance of mosquito fauna in relation to anthropogenic activities and environmental factors in selected sites of Matara area U.D. Manawadu, K.H.M.A. Deepananda and H.C.E. Wegiriya	121
A preliminary study on root-knot nematodes, <i>Meloidogyne</i> species and their bacterial hyper-parasite, <i>Pasteuria penetrans</i> associated with Spinach in Matara District W.T.S.D. Premachandra, A.H.P. Lasanthi, K.H.M.A. Deepananda and R.C. Jayasinghe	127
Investigation of physical and chemical parameters relevant to the slow processing rate of tea (<i>Camellia sinensis</i> L.) clone TRI 2025 K. Nishantha Kumara and A.M.T. Amarakoon	131
Landslide hazard zonation using GIS techniques - A case study at Diyadawa, Deniyaya Amila Silva and Sarath Kumara	143
Evaluation of safety level in construction sites in Sri Lanka. A.K. Somasundaraswaran, T. Brammananda, J.A. Akeel and G. Rajakumar	149
Post-accident questionnaire to identify the remedial measures in Sri Lanka A.K. Somasundaraswaran, S.A. Shafiq, T. Sundarakumar and Z.A.A. Firanz	154

Poster Session

Faculty of Agriculture

- Applicability of soil available nitrogen and microbial biomass carbon as indicators to assess soil quality in low country wet zone agricultural lands. 158
S.D. Wanniarachchi and G.J.P. Seneviratne
- Development of a web based information technological working interface for the Nilwala river basin to enhance resource mobilization. 162
C.P. Gunasena and C.M. Navaratne
- Effect of shade and associated environmental conditions resulting from exposure of poultry sheds to two levels of sun light on the performance of two broiler strains 167
A. Manawadu, R.H.W. Dissnayake and W.P. Wimalasiri
- In-vitro shoots proliferation of Papaya (*Carica papaya L.*) through auxiliary bud culture 170
P.S. Warakagoda, D.P. Prematileke and D.L.C. Kumari
- Development of an experimental technique for rice transplanting by using "twisted rice straw ropes" 173
L.W.S. Kumari and B.N. Gunaratne

Faculty of Engineering

- An expert system for bridge management in Sri Lanka 176
C.S. Lewangamage, T.M.C.H. Menike, G. Sureshkumar, P.K.P. Pushpakumara, R.M.M.R. Rathnayake, K. Amaraweera and N.B.G. Imali
- Identifying operational constraints at Bandaranaike International Airport 178
A.K. Somasundaraswaran, D.B.D.S. Somasri, G.D. Vipulasena and H.K.R.S. Kethuka
- Three-Wheeler drivers view in small cities in Sri Lanka. 182
A.K. Somasundaraswaran, M.B.I.T. Kumari and D.H.S.D.A. Siriwardena
- Enhanced social harmony through improved infrastructure facilities 185
D.A.W.S. Delpage and A.K. Somasundaraswaran
- Addressing difficulties in rural estates with limited educational facilities 189
R.H.C.C. Ranasinghe and A.K. Somamsundaraswarn

Faculty of Medicine

- A death due to sexual asphyxia ? 192
M. Vidanapathirana
- A protocol for disaster management 194
M. Vidanapathirana

Faculty of Science

- Identification of factors to improve the quality of graduates in Biological Science programme in University of Ruhuna 196
H.C.E. Wegiriya and K. Radampola

Technical Session IV (Asian Tsunami)

Salinity and microbial contamination and natural remediation of tsunami-affected groundwater wells at two locations in Weligama, Sri Lanka K.D.N. Weerasinghe, R.U.K. Piyadasa, I.S. Kariyawasam, L.M.J.R. Wijayawardana, D.S.E. Kumara, S.B. Vithana, M. Gruber, M. Maier and D. Maier	200
Overview of reconstruction and redevelopment of key infrastructure facilities in Galle, Sri Lanka A.K.Somasundaraswaran, W.H.C Subashini, P.K.Abeyratne, W.S.R.R.Wickramage and P.K.Thuduwage	204
Post-Tsunami recovery programme of the agriculture sector in southern Sri Lanka S. Subasinghe, M. de S. Liyanage, R. Senaratne, R.T. Serasinhe, and A.A. Kumara	209
Tsunami affected micro, small medium scale enterprises (MSMEs) of southern province and roadmap for development H.S.C. Perera, M.W.S. Sanjeewa Silva, G.K. Hemamali Ganewatta, A.C. Karunaratne and Chandana Pushpakumara	222
Reconstruction, rehabilitation and redevelopment: Development planning in Matara district during post-tsunami recovery period C. Gamage, P. Hewage, W. Rupananda and S. Wawwage	233
<u>Poster Session (Asian Tsunami)</u>	
Performance of existing tree species after tsunami in selected areas of Hambantota district I.R. Palihakkara, A.A. Kumara, G.D.C. Chaturani and S. Subasinghe	239
An assessment of soil amendments for tsunami affected paddy lands in Matara and Hambantota Districts A.A. Kumara, S. Subasinghe, M.de S. Liyanage and L.D. Martin	242
Studies on soil properties of tsunami affected areas in southern Sri Lanka B.C. Walpola W.P.A.S. Somaratne, S. Subasinghe, L.D. Martin, M.de S. Liyanage, and A.A. Kumara	246
Ground water contamination due to biological pollutants in outskirts of tsunami belt R.U.K. Piyadasa, K.D.N. Weerasinghe, L.M.J.R. Wijayawardhene and J.A. Liyanage	251
